

This worksheet contains seven sets of horizontal handwriting lines. Each set consists of a solid top line, a dashed middle line, and a solid bottom line. A short, slanted line is drawn from the bottom line to the middle line on the left side of each set, serving as a guide for the slant of the letters. The sets are arranged vertically down the page.

The page contains seven sets of horizontal handwriting lines. Each set consists of a solid top line, a dashed middle line, and a solid bottom line. A short, slanted line segment is drawn at the beginning of each set, starting from the bottom line and extending upwards to the middle dashed line, demonstrating the correct slant for cursive writing.
