

ABECEDARIA PRESS

Cursive Spelling Book

No. 5

EVAN MILLNER

Words of Two Syllables, I

*The words follow Daniel Fenning, The Universal Spelling-Book (London, 1798),
with his old words replaced by words that children know today.
Each word is given once as a model: write it three times after it.*

UNIVERSITAS SCHOLARIUM

Table VI. Words of two Syllables, accented on the first Syllable.
